Welcome to our 7th annual "Maine Difference" bull and open heifer sale. We are proud to be able to offer you the largest selection of two-year old Maine bulls at one sale in Canada, a unique opportunity to see this many quality two-year old Maine bulls as well as open breeding heifers anywhere.

We get more excited every year with the way this breed is bringing premium dollars when marketed either as calves in the fall, feeder calves in spring, or at the packer level. The way they perform, yield, and grade are all factors why they are bringing these premium dollars that we all are seeking when selling our product. An advantage you get with cross-breeding that the "silvers" don't have is the Maines will qualify on the "CAB" program. This also brings a premium and these cattle will equal or exceed the "AAA" grade that the straight Angus cattle do. In order to succeed in this business we need every extra dollar we can generate and the Maine breed is doing that.

We have two-year old Maine bulls for you that were born in May/June out on pasture with no creep even though we have been locked in a drought for a few years. We don't artificially skew numbers just to get big weaning weights to look impressive in the catalogue. They are weaned in October and backgrounded to gently grow them out, never pushing the grain to compromise their feet.

They are turned out on grass in May as yearlings and graze native pasture with no grain until we bring them in to feed for the winter in November. As always, they are on a bull developed mineral and silage based ration with barley. This is to get them into breeding shape ready to go to work to get a lot of cows bred. They had their two shots of fusogard as yearlings and have their booster shot as two-year old bulls when we semen test.

We have an outstanding set of open breeding heifers, that were sourced from our customers that use our bulls as well as some of our own May/June born ones. All the heifers will be palpated, vet inspected and have their pre-breeding shots.

Hope you can join us for lunch at noon and enjoy the cattle we have on offer.

TERMS AND CONDITIONS

The terms of the sale are cash or cheque payable at par to Dryland Cattle Trading Corporation (D.C.T.C.) at Veteran, AB unless credit arrangements have been made prior to the sale. Please call Darwin Graham at 403 575 7567 or Rick at 403 575 5521 to make arrangements. All monies are in Canadian funds. The right of property shall not pass until settlement is made. All settlements must be made with the clerks of the sale before any cattle are released.

Each animal will be sold to the highest bidder. In cases of disputes, bidding will be reopened between the parties involved. If no further bid is made the buyer will be the person from whom the auctioneer accepted the last bid. The auctioneer's decision in such matters will be final. Each animal becomes the risk of the purchaser as soon as the animal is sold.

Announcements from the auction block will take precedence over the printed matter in the catalogue. Buyers are therefore cautioned to pay attention to any such announcements.

Consignors are in good standing with both the American Maine Anjou Association (A.M.A.A.) and the Canadian Maine Anjou Association (C.M.A.A.). All bulls have been DNA tested for parentage and are able to be registered with the A.M.A.A. or the C.M.A.A.

All bulls sold are guaranteed breeders by the owners. We guarantee to provide you with a sound breeding bull. The bulls on offer will have been vet inspected, palpated, and semen tested prior to sale by Dr. David Weeks D.V.M. of the Rangeland Veterinary Clinic. If you have a problem with your bull please notify us immediately.

Deagle Company Ltd reserves the right to use semen from select bulls for one time in herd use only.

Insurance will be available sale day from Roger E. Johnson Enterprises Inc. for insurance. We strongly recommend that insurance is purchased for full value

We will assist in arranging transportation wherever possible. Contact Darwin 403 575 7567 or Rick 403 575 5521 prior to sale if transporting long distance or out of province in order to make arrangements with D.C.T.C. staff so bulls can be delivered in a timely manner. Expenses incurred are the responsibility of the purchaser.

All persons who attend the sale do so at their own risk, and the owners, auctioneer and sale staff assumes no liability, legal or otherwise, for property loss or for any accidents that may occur.

The Maine Difference Bull Sale will be live at Dryland Cattle Trading Corp., Saturday April 6th at 1:00pm. Viewers will be able to watch the sale online through a link on www.drylandcattle.com but must bid via phone through D.C.T.C. at 403 575 3772. If you are unable to attend the sale but wishing to purchase, please make arrangements prior to the sale.
