

Wow, we can't thank everyone enough, for the tremendous support for our 2020 sale.

In this upside down, world we're living in now and with all the uncertainty, to think we would have our most successful sale ever is overwhelming to an extent. We believe in what we do and to have the support shown today is so gratifying. The heifers avg. \$1402 and the bulls were \$5930.

Again, from Deagle Cattle Co. thank you to all the buyers and bidders and hopefully this crisis passes and we all stay healthy and are able to see each other next year.

Thank you to the buyers at our Bull Sale
